Set Up Your Organization

Thank you for logging in as the administrator of this organization. Please finish setting up your organization by providing the important information below.

Organization name

Specify the name of your organization as you'd like it to appear on the home page and any correspondence with the members of your organization. This name may be modified later as necessary. The name may contain up to 55 characters.

Universität Zürich

Organization short name

Please specify a short name – an acronym or abbreviation – for your organization. This text uniquely defines the URL to your organization. Carefully consider the name you want to use. The short name may contain up to 16 alphanumeric characters, including hyphens.

anyname Available

The URL to your organization's home page will be:
<http://anyname.maps.arcgis.com>

Language

Please choose the default language for members of your organization. The choice of language determines the language in which the user interface is presented as well as the way time, date, and numerical values appear. Individual users will be able to customize this choice by visiting their profile page. If you choose Browser Default (and you allow anonymous access), anonymous users will see ArcGIS Online in the locale of their browser. Signed-in users who have configured their language in their profile will display in that language.

Language:

Region

Choose a region to determine the default basemap gallery, the default basemap, and the default extent for new maps for your organization. The region you choose also controls the scalebar, measure tool and routing units. Choosing United States sets the units to miles and feet; any other region choice, including World, sets the units to meters and kilometers.

Note that you can also specify your organization's basemaps and extent by editing the appropriate settings in the Maps tab.

- 5) You'll be directed to the ARCGIS PRO download page. Click **DOWNLOAD ARCGOS PRO AND ARCGIS APPS**. After downloading, run the .exe file.

The screenshot shows the ArcGIS Online interface for the organization 'Universität Zürich'. A modal dialog box is centered on the screen, displaying a welcome message and a 'Download ArcGIS Pro and ArcGIS Apps' button. The background interface includes a navigation bar with 'Home', 'Gallery', 'Map', 'Scene', 'Groups', 'Content', and 'Organization'. The organization name 'Universität Zürich' is prominently displayed at the top. Below the name, there are tabs for 'Overview', 'Members', 'Licenses', 'Status', and 'Settings'. The main content area shows subscription details, including a 'Subscription ID' of 9919743683, 'Feature Data Store' set to 'Standard', and 'System health' showing 'All systems ok'. There are also sections for 'Members' (Total members: 1, Pending invites: 0) and 'Licenses' (ArcGIS Pro Advanced: 0 / 2). A 'Credits' section shows 'Last 30 days' and 'Last 24 hours' usage, both at 0.00. The 'Download ArcGIS Pro and ArcGIS Apps' button is highlighted in blue.

6) After installing, still inside your browser, click on the “Activate Software” icon on top

Activate software

⊖ Activate ArcGIS Pro licenses for your organization

This process must be performed by the administrator of your ArcGIS trial organization.

1. Sign in to [ArcGIS Online](#) and verify that you have Administrator [privileges](#).
2. Click **My Organization** at the top of the site and click **Manage Licenses**.
3. In the list of organization members, find the member whose license you want to manage.
4. In the row of the member you want to manage, click the hyperlink in the **Licensed for** column. Clicking elsewhere in the row adds the member to the list of selected members, allowing you to [manage licenses in bulk](#).

If the member hasn't been assigned any licenses yet, the link says **Configure licenses**. Otherwise, the link displays the level of ArcGIS Pro and the number of extensions.

5. Configure licenses for the member.
 - To assign a license, choose the ArcGIS Pro level and any extensions and click **Assign**.
 - To update existing license assignments, choose the ArcGIS Pro level and any extensions and click **Update**.
 - To remove all licenses, click **Revoke All**.

Keep in mind that **Revoke All** removes all licenses for ArcGIS Pro. If you just want to modify existing license assignments, such as to remove access to an extension, make your changes and click **Update**.

8) You'll land on this page. Click on the Licenses tab

The screenshot shows the ArcGIS organization management interface for 'Universität Zürich'. The browser address bar displays 'https://anyname.maps.arcgis.com/home/organization.html'. The navigation menu includes 'Home', 'Gallery', 'Map', 'Scene', 'Groups', 'Content', and 'Organization'. The organization name 'Universität Zürich' is prominently displayed at the top, with an 'Edit' link. Below this, a horizontal tab bar contains 'Overview', 'Members', 'Licenses', 'Status', and 'Settings'. A red arrow points to the 'Licenses' tab. The main content area is divided into four panels:

- Universität Zürich** (Edit settings):
 - Subscription ID: 9919743683
 - Feature Data Store: Standard
 - System health: All systems operational
 - Created: Jul 30, 2018
 - Renewal date: Aug 22, 2018
- Credits** (View status):
 - Total remaining credits: 400.00
 - Last 30 days: 0.00
 - Last 24 hours: 0.00
 - Usage breakdown: Storage, Analytics, Subscriber content
 - Periods: Jun 30, 2018 to Jul 30, 2018
- Members** (Invite members | Manage members):
 - Total members: 1
 - Pending invites: 0
- Licenses** (Manage licenses):
 - ArcGIS Pro: 0 / 2

9) Click on configure licenses next to your username.

The screenshot shows the ArcGIS Pro organization licenses page. The page is titled "Universität Zürich" and has a navigation menu with "Overview", "Members", "Licenses", "Status", and "Settings". The "Licenses" tab is active, showing a grid of licenses for various products. The products listed are ArcGIS Pro Advanced, Spatial Analyst, 3D Analyst, Network Analyst, Geostatistical Analyst, Data Reviewer, Workflow Manager, Data Interoperability, Publisher, and Image Analyst. Each product has a "Licenses Available" count of 2. Below the grid is a "Members" section with a search bar and a table of members. The table has columns for Name, Username, Level, Licensed for, and Last Used. The user "myname123" is listed with a level of 2 and a "Configure licenses" link. A red arrow points to this link.

Product	ArcGIS Pro Advanced	Spatial Analyst	3D Analyst	Network Analyst	Geostatistical Analyst	Data Reviewer	Workflow Manager	Data Interoperability	Publisher	Image Analyst
Licenses Available	2	2	2	2	2	2	2	2	2	2

Name	Username	Level	Licensed for	Last Used
myname lastname	myname123	2	Configure licenses	

10) Tick all the boxes, then click Assign.

The screenshot shows the ArcGIS Pro license management interface. At the top, there are browser tabs for 'Free Trial of ArcGIS Pro', 'GMX Freemail - E-Mail m', 'ArcGIS Free Trial | Learn A', and 'Universität Zürich'. The address bar shows 'https://anyname.maps.arcgis.com/home/organization.html#licenses'. Below the browser, there is a 'Help' link. The main content area is divided into two sections: 'ArcGIS Pro' and 'Additional Products'. Under 'Additional Products', there is a table of products and their available licenses:

Product	ArcGIS Pro Advanced	Spatial Analyst	3D Analyst	Network Analyst	Geostatistical Analyst	Data Reviewer	Workflow Manager	Data Interoperability	Publisher	Image Analyst
Licenses Available	2	2	2	2	2	2	2	2	2	2

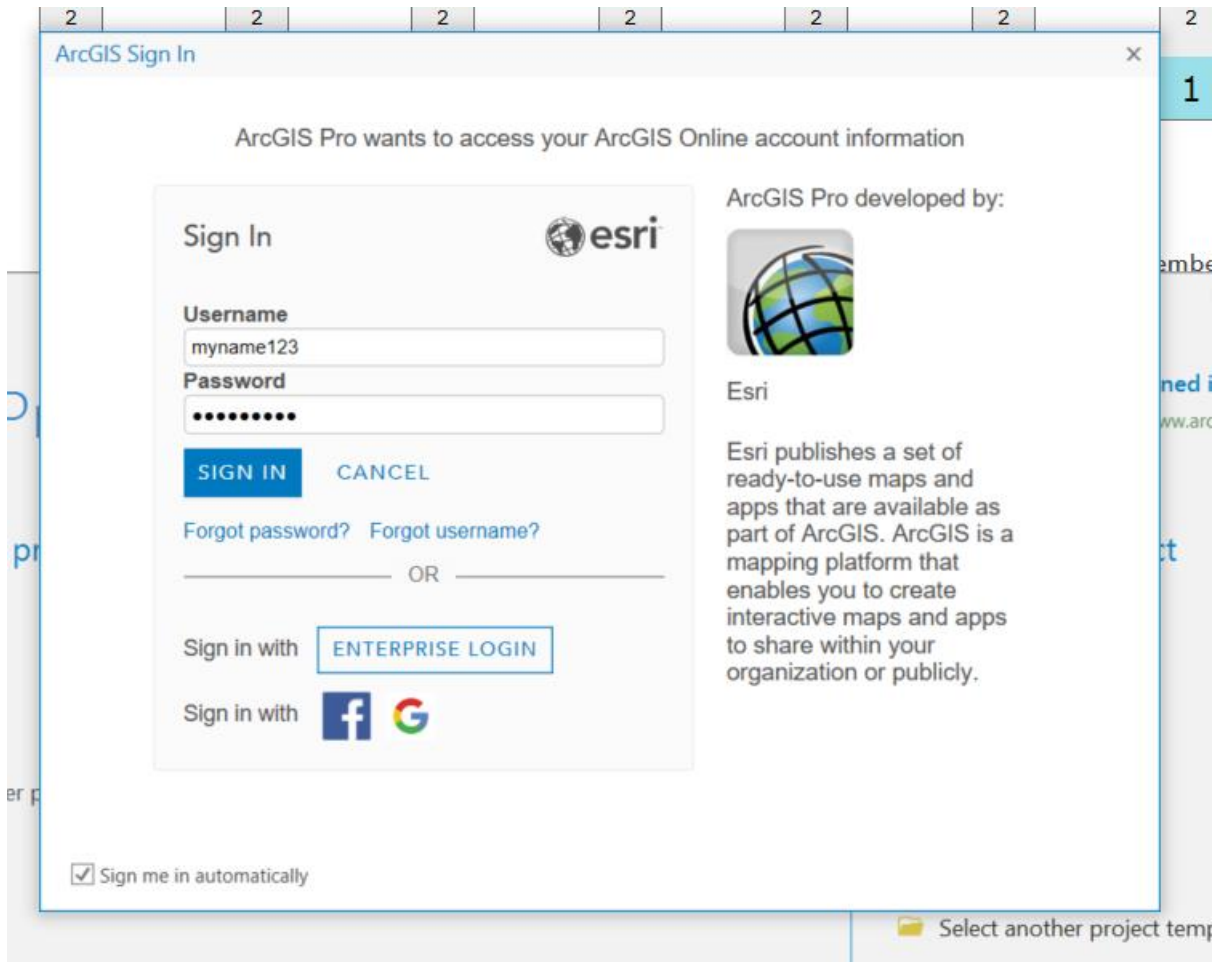

Below this table, there is a section for 'Licensed Products for myname lastname (myname123)'. It shows two categories: 'ArcGIS Pro' (2) and 'Extensions' (2). Under 'Extensions', all products are checked:

- Spatial Analyst
- 3D Analyst
- Network Analyst
- Geostatistical Analyst
- Data Reviewer
- Workflow Manager
- Data Interoperability
- Publisher
- Image Analyst

At the bottom, there is a checkbox for 'Notify member via email' which is unchecked. Below it are three buttons: 'Assign' (blue), 'Revoke All' (orange), and 'Cancel' (blue).

Two red arrows point to the 'Extensions' checkbox and the 'Assign' button.

- 11) Now start Arcgis Pro Desktop version that you installed on your computer. In the login screen, enter your username and password and sign in.

12) After login, the program should look like this. We ll take it from there in class.
